

Harbortouch: An Award Winning Company

Inc. 500/5000

The Inc. 500/5000 list is an annual ranking of the fastest-growing private companies in the United States. It is based on revenue growth over a three-year period. Harbortouch first appeared on the prestigious list in 2005 with an impressive debut at number 19. This was due to extraordinary revenue growth of 2,319% between 2001 and 2004. A year later, the company hit another milestone when it was ranked 6th, with 3,845% revenue growth over the previous three years. This 2006 ranking was a landmark achievement for the Inc. 500 list itself, earning Harbortouch the prestige of being the highest ranked company to ever appear on the list more than once. In 2008, 2009 and 2014, the company was included on the Inc. 5000 list.
